

# Sabbatical Questionnaire

Dear Friend,

Congratulations! We think it is awesome that you are taking advantage of the opportunity to take a sabbatical!

There are times that God may want to use sabbatical to reach into a person's life and minister to things that might be hidden within us below the surface.

With this possibility in mind, we have designed a questionnaire to explore your inner life, relationships, stress level personal development and marriage (if applicable). We want you to know that these are confidential between you and the TDC Care Team and will not be seen by anyone in your mission.

Please fill out the questionnaire **no sooner than a month or two before you begin your sabbatical**, as we want the information to be current. If you are married, please fill out the questionnaire separately. Once you have returned the questionnaire to us, someone from the Care Team will get in touch with you to set up a Sabbatical Staff Care Interview.

Please return your questionnaire to: [TDC@navigator.org](mailto:TDC@navigator.org)

Please let us know the approximate beginning and end dates of your sabbatical.

As a result of your Sabbatical Staff Care Interview, the Care specialist will write up a summary of the things that were talked about and highlight any recommendations. It may be that you may want to incorporate any suggestions that were made into your sabbatical plan. A copy of this summary will be sent to you. You should know there are often no areas of need that come out of this interview.

We look forward to serving you on your sabbatical journey.

In His Unfailing Love,

*Jim Lee*

*TDC Care Initiatives Director*
